

NCFE CACHE Level 4 Award in Early Years Emotional Wellbeing

610/1707/3

Overview

This qualification is designed for learners to increase their knowledge and understanding of emotional wellbeing in early years settings. Learners will examine the influence of families and early years practitioners on children's emotional wellbeing and the importance of supportive practice.

This qualification will enable learners to create and implement action plans to improve practice in their own early years setting. They will work with families, early years practitioners and other professionals to make a positive impact in the promotion of emotional wellbeing. Learners will also gain an understanding of when it is appropriate to signpost individuals to national and local support services and to other professionals within the sector.

What will I study on the course?

To be awarded this qualification, learners are required to successfully achieve 2 mandatory units.

Unit 01 Understanding emotional wellbeing in early years settings (L/650/4693)

Unit 02 Promoting emotional wellbeing in early years settings (M/650/4694)

Work Placement

It is work-based, and learners must be employed in an appropriate early years setting to complete this qualification.

Entry Requirements

Learners must be aged 19 or over and working in a relevant early years setting.

How do I apply?

Entry to the course is by interview. You must be 19 or above to apply. We welcome applications from mature students. Please email admin@premierearlyyearstraining.co.uk for an application form; once we have received your application form, we will contact you to attend an interview either in person or via Zoom

How will I be assessed?

All units will be internally assessed using an externally set and internally marked Assessment of Learning. A range of methods can be applied to both units, which could include; professional discussion, work product, or a portfolio of evidence. Evidence generated can be used in the workplace to support your new role.

How will I study?

There is no set start date - you can enroll throughout the year and complete the course at your own pace to meet your individual needs.

How long will it take to complete this course?

This qualification will take approximately 4- 6 months to complete.

How much does the course cost?

The cost of the course is £550 and includes all one to one teaching & support, access to our E-learning platform and certification. We have a flexible payment plan available so you can pay in interest free installments.

Progression

Learners who achieve this qualification could progress to:

- NCFE CACHE Level 4 Award in Promoting Health and Well-being through Physical Activity and Nutrition Coordination in the Early Years (603/5239/5)
- NCFE CACHE Level 4 Certificate in Neuroscience in Early Years (603/5217/6)
- NCFE CACHE Level 4 Certificate for the Early Years Advanced Practitioner (601/8424/3)

This qualification will also support the preparation of learners for further study of the early years in higher education.

Learners could progress to the following job roles and responsibilities:

- pastoral or wellbeing lead/mentoring role
- special educational needs co-ordinator (SENCo)
- physical activity and nutrition coordinator (PANCo)
- internal progression at a higher level, including those with management responsibilities
- leadership, mentoring, supervision and management opportunities
