

NCFE CACHE Level 3 Diploma in Supporting Teaching and Learning 603/2496/X

Overview

This qualification provides learners with an in-depth understanding of the knowledge needed when working directly with children and young people in a school or college environment. It covers all aspects of specialist support including planning, delivering and reviewing assessment strategies to support learning alongside the teacher, bilingual support, specialist needs support, personal development and reflective practice.

This qualification is aimed at learners working in roles that offer specialist support for pupils' learning in primary, secondary or special schools, as well as colleges.
